From The D P H

No c 157-95 dt 13-4-44

Requests sanction to the acceptance of the tenders of Messrs Narayana Narayan, Buddaiah and N Gowda Singh at 12½% higher than the sanctioned estimate for the I stage of the Drainage scheme at Gundlupet

A

In fo dt 29-2-44, sanction was accorded to the acceptance of the tenders of Messrs K S Rangaiah & D V Srinivasa Iyer at 19% higher than the original estimate but these two gentlemen are said to have refused to execute the work for the reasons stated in the P W D

The proposal of the D P H to entrust the works at 12½% higher than the sanctioned rate may be accepted and the proposal, if affirmed will result in a saving of Rs 1,155/- as per the D P H's note.

Submitted with a draft fo for approval.

(The earnest money deposited by the three contractors is also proposed to be refunded)

The proposals of the Dy C P H may be approved

Sir,

Re - Tender for the Drainage work in Gundlupet Town 1st Stage

---

I have the honour to state that Government in their order No L 8975-8/ML 73-43-8 dated 29th February 1944 sanctioned the above at an excess cost of Rs 2,998/- and directed that the work be entrusted to Messrs K S Ramaiya & D V Srinivasa Iyer at 19% higher than the original estimate for 17,775/-

The above contractors have since expressed their unwillingness to take up the work at this distance of time at the rates tendered by them long back. The Sanitary Engineer on the recommendation of the Deputy Commissioner, Mysore District and the President, Municipal Council, Gundlupet recommends in his letter No 1039 dated 30-3-1944, the acceptance of the tenders of the local contractors viz., Messrs C Manjunda Narayan, B Doddiah, and I G Somasekhar, who have agreed to take up the work at 9½% higher than the rates provided in the sanctioned estimate and to refund the earnest money of the former contractors. The acceptance of the tenders of these contractors will result in a savings of Rs 1155/- I have this day approved the proposals of the Sanitary Engineer for accepting the tenders of these local contractors and to refund the earnest money of the former contractors.

P T O

Copies of the Sanitary Engineer's letter referred to above, letter No. D. C. 7389/Sp-40 dated 14-9-1944 of the Deputy Commissioner, Mysore District together with the resolution of the Gundlupet Municipal Council dated 23-8-1944 and the petition dated 20-7-1944 of the former contractors in original are herewith enclosed for the information of Government.

I request you to be so good as to convey approval of Government for the acceptance of the tender of Messrs G Manjunda Narayan, B Doddiah, and P C Somasekhara the local contractors, at 10% higher than the rates provided in the sanction estimate.

I have the honour to be,
Sir,
Your most obedient servant

A Govindaraj

Re - Tender for the drainage work in Gundlupet to 1st stage

With reference to your No C 157-9 dated 20th March 1944, intimating that the work should be entrusted to Messrs K S Rama Iyer and P V S Iyer as per orders contained in G O No L 8075-8/41 72-43-8 dated 26th February 1944, I have the honour to state that the above contractors have since intimated their unwillingness to undertake the work at this distance of time at rates tendered by them long back, and have requested the return of their earnest money their application in original dated 9-3-1944 is ~~xxxxxxxxxx~~ herein enclosed for your kind perusal Under these circumstances, permission is solicited for the refund of their earnest money Further, approval is solicited for entrusting the work to Messrs C Ranjundappa, Narasappa, Boddaiah & Others whose application recommended by the Deputy Commissioner and the Municipal Council was submitted to you with this office No 3 5 dated 26th February 1944 The usual earnest money will be got deposited before the work is entrusted to them The acceptance of this tender will also result in a savings of Rs 1,155/- from what has been already approved in the Government Order quoted above

---

Letter No D C 3006/ 3-40 dated 24-8-1944 from the Deputy Commissioner, Mysore District, to the Sanitary Engineer, Bangalore

---

Subject - Drainage work of Gundlupet Town Municipality

With reference to your letter No 490 dated 27-3-1944 stating that tenders were called for for the above work, that the lowest quotation is 19% higher than the estimated rates and enquiring if the town Municipal Council, Gundlupet, are agreeable to bear their portion of the excess cost amounting to Rs 1(4-8-0(Thirty of the total excess cost of Rs 3,000/-) I have the honour to forward herewith an extract from the resolution of the Municipal Council dated 31st October 1943 agreeing to your proposal

In this connection I beg to state that the President of Municipality submitted a joint application from three local contractors viz, Messrs B Doddaiyya, G Ranganda Narayan and M C Govinda Simha addressed to you through him agreeing to take up the work at 12½% over the rates provided in the sanction to estimates being less than the quotation offered by other persons to you and he has recommended that the work may be entrusted to these contractors being local contractors of some standing as it is more advantageous both to the Municipality and the Government The application of these local contractors in original with the recommendation of the President thereon is herein enclosed The Council at their subsequent meeting held on 31-12-1943 have resolved that they have no objection for giving the contract to the above local contractors

I therefore therefore request you to be so good as to furnish your opinion in the matter at an early date

OFFICE OF THE
DIRECTOR OF PUBLIC HEALTH
IN MYSORE

Bangalore, dated 9th May 1944

To

The Secretary to Government,
Law Department, Bangalore

SIR,

Tender for the drainage work in Gundlupet Town 1st Stage

Adverting to G O No L 11195-8/Ml 73-43-11 dated 8-5-44 approving the proposals contained in this office letter No C 157-95 dated 15th April 1944 requesting approval of Government to the acceptance of the tender of Messrs G Nanjunda Narayan, B Doddiah andN G Soma Singh, the local contractors at 12½% higher than the rates provided in the sanctioned estimate, I have the honour to state that the Sanitary Engineer in his letter No 1131 dated 20th April 1944 reported that the above contractors were addressed to intimate whether they would undertake the work at the increased rates offered by them in September 1943, but that one of the contractors Mr Doddaiah intimated that he was not prepared to take up the work The other person Mr Somasingh did not respond The third man Mr G Nanjunda Narayana replied on the 14th April 1944 to the Sanitary Engineer that he would personally put in his representation on the 18th or 19th and accordingly appeared on 20-4-1944 and presented an application requesting that since one of the contractors having backed out of the contract and the other wavering he by himself is prepared to take up the work if he is given a further increase of 3½% making up a 16% increase over the estimate rates The Sanitary Engineer recommends that the work may be entrusted to Mr G Nanjunda Narayan, considering the fact that the application to do the work at 12½% increase was put in September 1943 and there has been a steady increase in the cost of labour and price of cement since then

As Government have already sanctioned the proposal of this office for acceptance of the tender of another firm at 19% over the original estimate and also sanctioned the excess amount of Rs,3229 being met by Government and Gundlupet Town Municipal Council in equal proportions(vide G O No L 8975-8/Ml 73-43-8 dated 29th February 1944), the offer of Mr G Nanjunda Narayan is this day accepted in anticipation of Government approval and the fact communicated to the Sanitary Engineer for needful

A copy of the letter No 1131 dated 20th April 1944 of the Sanitary Engineer and a copy of its enclosure are enclosed

enclosed herewith for the information of Government

I request you to be so good as to obtain and convey approval of Government to the acceptance of the offer of Mr G Nanjunda Narayan at 16% over the estimated rates

I have the honour to be,
Sir,
Your most obedient servant

Director of Public Health

The D C Mysore
The Chief Engineer

Letter No 1131 dated 20th April 1944 from the Sanitary Engineer, Bangalore, to the Director of Public Healthin Mysore, Bangalore

Tender for Gundlupet Drainage Work

With reference to your Memo No C 157-96 dated the 13th April 1944 issuing orders accepting the tender of Messrs G Nanjunda Narayan, Doddaiah and N G Somasingh at 12½% higher than the estimate rates, I have the honour tostate that prior to the receipt of this order, as personally instructed by you, the above contractors were required to state in this office No 3528 dated 8th April 1944, if they would undertake the work now at the increased rates offered by them in September 1943 In reply Mr Doddaiah has intimated vide, his letter dated 11th April 1944 that he is not prepared to take up the work for reasons stated therein Mr Somasingh has not responded G Nanjunda Narayan replied on the 14th instant that he would personally put in his representation on the 18th or the 19th instant and accordingly he appeared to-day and gave the enclosed application requesting that since one of the contractors having backed out of the contract and the other wavering, he by himself is prepared to take up the work if he is given a further increase of 3½% viz , making up a 16% increase over the estimate rates As an earnest he offered to deposit security of Rs 755/- He was asked to deposit the same after definite orders are obtained regarding the acceptance of his tender at the enhanced rates Considering that their application, offering to do the work at 12½% increase was put in September 1943 and considering that there has been since a steady increase in the cost of labour and the price of cement I feel that the work may be entrusted to this man(Mr G Nanjunda Narayan) at 16% over the estimated rates and even in this case we will be within the 19% excess which the Government have already sanctioned The contractor requires urgent orders of acceptance and he is here awaiting the same with the earnest money ready for deposit

---

Petition dated 19th April 1944 from the Contractor G Nanjunda Narayan,Camp Bangalore, to the Sanitary Superintending Engineer, Bureau of Sanitary Engineering, Bangalore

---

Regarding Gundlupet Drainage Works

With reference to your Memo No 3528 dated the 4th April 1944, enquiring me and Messrs Doddiah & Others, whether we are agreeable to take up the work of Gundlupet Drainage at 12½% increase over the estimated rates as quoted by us a few months back i e September 1943, I beg to state that Mr Doddaiah has expressed that he is not willing to take up the work as conditions have abnormally fluctuated and that backs out of contract

2 Mr Somasingh is also unwilling to this, but he will not express so

3 So far as I am concerned, I am prepared to take up the work if entrusted to me at 16% increase over the estimated rates The cost of cement has risen enormously The cost of labour has also gone abnormally high owing to the surrounding military activities Carts for conveyance of materials are also not procurable except at prohibitive hire Since I happen to be a man of the locality

P T O

I am much interested in the execution of the work, which is for the improvement of my place, I am anxious to undertake the work, even through it entails loss to me at the end

4 I am depositing Rs 755/- towards the earnest money for this work in anticipation of your approval to our offer at 16½(Sixteen percent) over the estimated rates As there is day to day rise in the cost of materials, I beg to add that this offer of mine holds good for one week fro this date, by which time I expect to be favoured with orders for the commencement of the work

5 It would be highly advantageous to me if the orders for the work are issued to me today itself, so as to enable me to arrange for the collection of materials and to start the work

Thanking you in anticipation
